SMIDGE THAT MIDGE REPELLENT

Smidge offers immediate, powerful, waterproof protection against midges, mosquitoes, horse flies, sand flies, fleas and ticks.

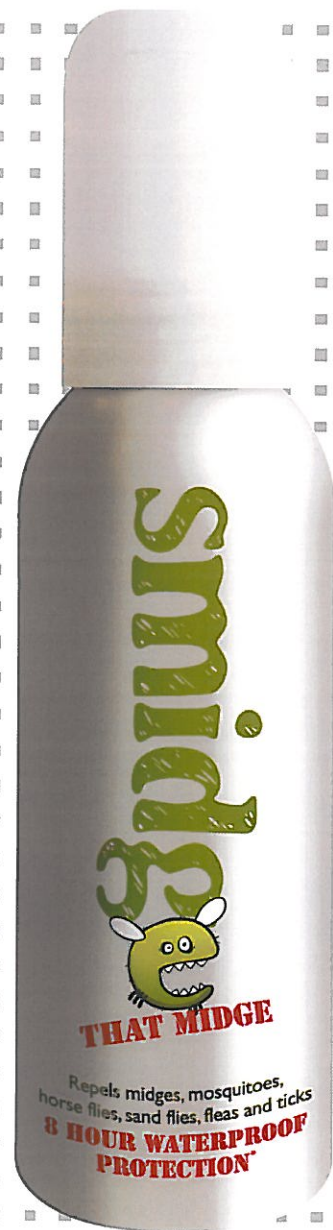

Applied direct to skin, Smidge works by throwing insects off your scent whilst emitting a human-friendly fragrance. It offers immediate, powerful, waterproof protection for up to 8 hours.

Supplied in a robust and powerful 75ml aluminium pump spray.

Contains 20g/100g Saltidin
